[Grimes sues Elon Musk over parental rights of their three children - weeks after she begged the Tesla founder to allow her to see their toddler son](#)

Canadian singer Grimes is suing her ex partner Elon Musk over parental rights of their children X Æ A-Xii, Exa Dark Sideræl and Techno Mechanicus. The performer, born Claire Boucher, filed a 'petition to establish parental relationship' on September 29 in a California court. It comes weeks after she issued a plea to the Tesla co-founder on his X, formerly Twitter, site saying 'let me see my son'.

[Elon Musk is sued for \\$1million damages by college grad, 22, he falsely accused of being a fed and posing as a neo-Nazi during violent street brawl between Proud Boys and rival extremist group](#)

College student Ben Brody, 22, is seeking \$1 million and a jury trial in Texas , where the lawsuit was filed in Monday and where Musk, 52, has a house
