Friends in spy places: Ex-acting CIA director reveals he had 50 spies sign letter saying Hunter Biden laptop scandal was Russian disinformation to HELP Joe 'win the presidential election'

Mike Morell, a veteran CIA leader, was asked by the Biden campaign to rally ex-intel chiefs to say reporting on Hunter's laptop was Russian disinformation. Morell said he was asked by Antony Blinken, now Secretary of State, who at the time was a Biden campaign adviser, to ask ex-intelligence chiefs to agree the laptop looked like a smear campaign. Morell said he did 'a little bit of my own research,' and reached out to retired CIA senior operations officer Marc Polymeropoulos for assistance.

REVEALED: Attorney General Merrick Garland is the 'senior political appointee' at center of IRS whistleblower's claim the Biden administration interfered with Hunter criminal probe

Attorney General Merrick Garland is the 'senior' unnamed Biden administration official in the center of a new bombshell IRS whistleblower claim, a source familiar tells DailMail.com.
