

We Reported This Crime To These Officials And They Did Nothing To Help Us Because They Profited Off!

We sent certified letters, time stamped emails, fed-ex reports, tracked USPS documents, FBI-FD-302 drafts, broadcast news reports and filed federal multiple lawsuits that are on public record. Many of these officials did NOTHING to help us and everything to stonewall and cover-up the crimes because many of them are engaged in the bribes, kick-backs, payola, revolving doors, search engine rigging, black-lists, stock market insider trading and securities protection rackets. Now we are making certain that every member of the public has these facts by delivering this information to 100,000, or more, different voter and citizens per day.
