U.S. Government Vs. Senator C. and Does 1-20

Tonight Al Jazeera ripped Feinstein's colleague, one Mr. Calderone, a new one per an FBI sting operation. He's off to jail soon. You can see the movie about his crimes on *America Tonight*. Will he roll over on Feinstein and the **Senate bribes-for-laws** program? It is early in the game and pleas are only just getting discussed.

Ms. Feinstein has some movies out too:

Who is Dianne Feinstein?

If you were in the Senate and you had been involved in **corruption** things, you would want to try to get yourself on the Senate Intelligence Committee so you could use, and monitor, agency information and resources to make sure nobody found out about the corruption things you and your husband were doing. Let's take **Dianne Feinstein** and her husband **Richard Blum** and his **CBRE** and vast other stealth companies and funds.

When she was mayor of San Francisco, the San Francisco newspapers were rife with charges of corruption and cronyism about her. Her associate, **Roger Boas**, went to federal prison for corruption in City Hall AND for **child prostitutes**. Police reports show that he used **child prostitutes** plus sent prostitutes out to buy favors for City Hall corrupt winner/loser rigged selections.

She personally interceded in getting **Solyndra** funded from taxpayer dollars and getting them to build the Solyndra buildings where it benefited her husbands business connections. Her Family made profits off of Solyndra getting picked as a DOE funding "winner".

<http://www.youtube.com/watch?v=Vv86dCW85uw>

She personally interceded in getting **Tesla** funded from taxpayer dollars, and getting them to acquire buildings (physically next to Solyndra in the boondocks of Fremont, California) and equipment where it benefited her husbands business connections. Her Family made profits off of Tesla getting picked as a DOE funding "winner".

Guardian staff report that her husband has made multiple trips to Mongolia transporting cash for deals and now holds business interests there on mining companies that make materials for electric car batteries and other interests that she fought for bill or budget passage on. They have airport records, travel expense reports and photographs of him in Mongolia meeting with sketchy Chinese and Asian Business men. They state that he took suitcases full of cash to Mongolia. Why did Feinstein not properly document this in her disclosures? What

intelligence did Blum get near, or to, China?

Richard Blum got a group of Silicon Valley VC's to buy votes, get out the vote for her and push votes to get her on Committee when she was hanging by a thread from previous near-catches of their misdeeds according to a former reporter from ValleyWag.

Feinstein wrote laws regarding the Regents of California which benefited her husband.

If you web search their names and "Corruption" or "Crony" you will find a vast number of stories about all kinds of kickbacks that the Feinstein/Blums have been charged with.

And a person like this has access to all the secret files?

When you chart out all of the front companies, fake family trusts under other trusts, Blum offshore accounts in Belize, The Caymans and other interesting places, companies behind other companies between her and Mr. Blum, you have a facade of misdirection and phoney business names that would make any spy envious. Feinstein's bills and budgets tie back to more false front organizations that benefit her family interests than almost any other person in the Senate per the latest research from The Guardian.

If you were someone like that you would certainly try to get yourself on the intelligence committee so you could have the first clue when you were about to get caught and to steer investigations away from your crony deals. You would certainly support domestic phone-tapping because you would order such taps on your public-interest agency enemies like the ACLU and BigGovernment.com and The Schweizer team in order to keep an eye on them. Of course she is fighting **on behalf** of ongoing domestic spying. It is how she covers her ass.

NUMMI

Why did Feinstein and her staff sabotage other companies trying to use NUMMI?

What is the relationship between the Comptroller of Fremont California, the Mayor and Feinsteins staff?

Elon Musk is on public record, published and recorded in national media, saying that NUMMI is no good for Tesla and a bad choice for Tesla. Why did Feinstein make him flip flop?

What is the relationship between NUMMI, the properties adjacent to NUMMI, The adjacent Solyndra property and the real-estate company owned by Feinsteins husband: CBRE?

Why do the Feinstein staff that helped get TESLA its taxpayer money now work FOR TESLA? Isn't that illegal? Isn't that unethical?

Do the CIA, The NSA and federal investigators have recordings of Feinstein breaking the law? Did Snowden get some of that data in his cache? Is that why Snowden and Greenwald are so comfortable mouthing off to Feinstein?

What is going on in that meeting with the City of Fremont insiders that Feinstein's chief of staff headed up and who recorded that on their cell phone? It sounds suspicious.

Why did TOYOTA and GENERAL MOTORS say that NUMMI was a "failed plant"?

What was the fire and explosion that the Fremont fire department responded to at the Tesla Nummi plant?.... no, not the second one where the hot metal burned the workers, the earlier one?

Why did Feinstein met with UAW representatives and promise them NUMMI jobs if they supported requested issues and then how many UAW jobs did Musk actually keep on site? Why does LinkedIn show a huge number of Tesla H1-B lawyer hires advertised when all workers were supposed to be American's per the U.S. tax dollar funding?

Ok, Here is the most extreme theory ever,

but it is amusing:

"Google, Twitter and Facebook are actually spy agency sting operations and were originally created as such. They conduited the money through Kleiner Perkins offices to launder it. They paid Kleiner's people off by giving them monopolies on the electric car and battery industries and associated mining interests."

I saw that on a blog and just had to repost it.

How about them Apples? One of the original founders of Twitter is running around saying it wasn't what he had in mind. Even though they are supposed to be competitors you usually see their "join" or "login as" buttons clumped together on other sites and they sell ads for each other secretly. Those "Google Barges" could just be international waters scrutiny evasion systems. While it sounds crazy, with all the related news coming out this week, it could almost be true. 😊

Feinstein Corruption Scandal

Last week California Senator Diane Feinstein abruptly resigned her position as the chairman and ranking member of the Senate Military Construction Appropriations Subcommittee (MILCON). The MILCON subcommittee is in charge of supervising military construction. The committee also oversees "quality of life" issues for veterans, which includes building housing for military families and operating hospitals and clinics for wounded soldiers. During her six years as MILCON leader Senator Feinstein had a conflict of interest due to her husband Richard C. Blum's ownership of two major defense contractors, who were awarded billions of dollars for military construction projects that were approved by Senator Feinstein. That's Billion with a capital B. My very own California Senator Diane Feinstein may have just hit one out of the park folks. By directing Billions of dollars of our tax dollars to her husband's companies, DiFi may have set a new record for corruption. According to a report compiled by [MetroActive](#) a San Francisco area newspaper Diane Feinstein used insider information to direct billions of dollars of military construction projects to companies, URS Corporation and Perini Corporation, that were owned or controlled by her husband.

While setting MILCON agendas for many years, Feinstein, 73, supervised her own staff of military construction experts as they carefully examined the details of each proposal. She lobbied Pentagon officials in public hearings to support defense projects that she favored, some of which already were or subsequently became URS or Perini contracts. From 2001 to 2005, URS earned \$792 million from military construction and environmental cleanup projects approved by MILCON; Perini earned \$759 million from such MILCON projects.

792 million and 759 million works out to 1.551 Billion dollars. And what portion of this billion and a half dollars did DiFi and her husband pocket?

In 2005, Roll Call calculated Feinstein's wealth at \$40 million, up \$10 million from just a year earlier. Reports show her family earned between \$500,000 and \$5 million from capital gains on URS and Perini stock. From CB Richard Ellis, her husband earned from \$1.3 million to \$4 million.

Public records show Blum's company paid \$4 a share for controlling interest in Perini, and later sold about three million shares for \$23.75 each.

The report also showed URS' military construction work in 2000 was only \$24 million, but the next year, when Feinstein took over as MILCON chair, military construction earned URS \$185 million. Additionally, its military construction architectural and engineering revenue rose from \$108,000 in 2000 to \$142 million in 2001, a thousand-fold increase.

In late 2005, Blum sold 5.5 million URS shares, worth \$220 million

So a US Senator has used insider information to direct billions of tax payer dollars to her husband's companies and yet I have not seen one word of this in a single antique media outlet. Where is the outrage, where is the indignation, where are CNN, Fox, MSNBC, NBC, ABC, CBS news? And even more importantly where is an investigation by the Senate Rules Committee? Oh wait, DiFi is the newly appointed chairman of the Rules Committee so I guess we can rule out an investigation there.

So after pocketing over as much as 300 million dollars as a direct result of her involvement with the MILCON committee DiFi just walks away unscathed?

Where is the investigation and where is DiFi's resignation followed shortly by her indictment? Or does that only happen to Republicans?

Full information can be found [here](#) and [here](#) and [here](#).

The federal investigation of DiFi is under deepest security because she keeps pulling the plug on the stings and research in her current position, but multiple agencies are still working the case and now multiple news organizations so her day will come.

RT, Al-Jazeera and The Guardian are all said to have narrowed their focus onto Feinstein with a blockbuster story on her expected from one, or all, soon. Glenn Greenwald has been building an ongoing large-format story on her, and took her on, previously. His story, though, is likely not the same as the Guardian effort. Andrea - LAT
